

W&C WELLING & CROSSLEY PTY LTD

Australia's trusted diesel generator experts...

COMMERCIAL - INDUSTRIAL - MINING - AGRICULTURAL - GOVERNMENT

www.wellcross.com.au

THE LEADER IN THE INDUSTRY

Australian owned and operated

We've been in business since 1926 and we're still growing.

Internationally renowned

We're recognised as a leader in manufacturing and supplying quality diesel generators.

Offices across Australia

Wherever you work, we're not far away. We have offices in Victoria (Head Office), New South Wales, Queensland and Western Australia.

World's leading brands

We build our generators to the highest engineering standards using the latest technology and engines from the most reputable brands in the industry.

Excellent customer service

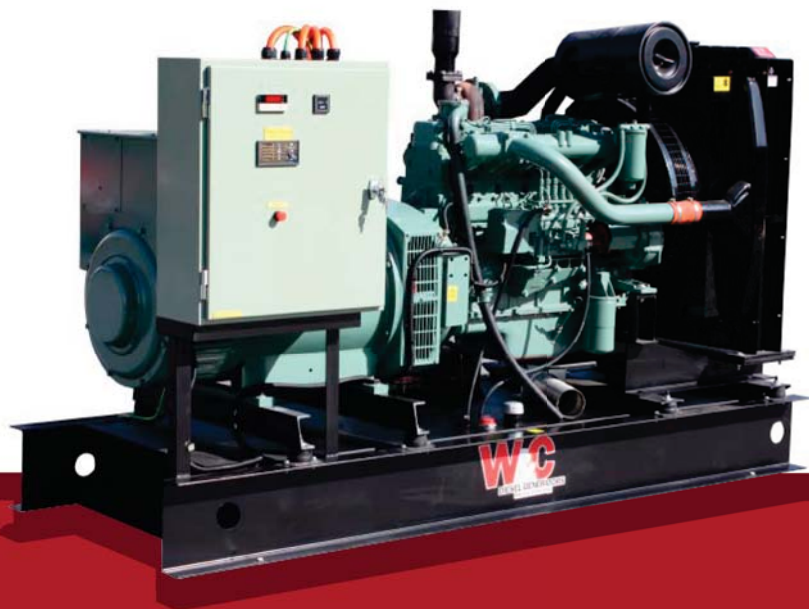

We're known for our great customer and after-sales service. We offer expert advice and service.

Fast delivery

We know that sometimes you need help urgently. We have offices in four Australian states so we're never far away.

Competitive prices

We're proud to offer you quality products at competitive prices.

QUALITY DIESEL GENERATORS

ALL INDUSTRY SECTORS

Whatever your emergency power needs, we have a generator to suit.

Whether you're in the commercial, industrial, mining, agricultural or government sector, we can help.

WATER COOLED AND AIR COOLED (OPEN SETS)

All our generators are built tough for Australian conditions.

Features

Full factory warranty

Long run times
